Annual Order Volume by Channel

How many orders came through each channel in the year.

Channel	Orders	Share
Web	10,523,970	60.4%
Email	3,049,177	17.5%
Phone	1,404,015	8.1%
ECMRC	1,156,914	6.6%
Mobile Web	665,478	3.8%
Other (Mail)	396,202	2.3%
Mobile App	165,019	0.9%
EDI	58,947	0.3%
Fax	13,280	0.1%
Total	17,433,002	100.0%

Takeaways

- Web accounts for 60% of all orders — clearly the dominant channel.
- Email is the second-largest channel at 17.5% — roughly 3M human-touched orders per year.
- Phone remains a meaningful channel at 8% (1.4M orders).
- Mobile (web + app combined) is 4.8% and skews toward mobile web over the app.
- EDI is only 0.3% — small relative to most B2B distributors at this scale.

Customer Channel Profile

Where each customer's orders come from. One row per CMF in the underlying data; tables below summarize how that population is distributed.

Customer Size Distribution

Orders / year	Customers	% of CMFs	Orders	% of orders
1 order	134,285	23.8%	134,285	0.8%
2 – 10	217,034	38.4%	969,566	5.6%
11 – 50	131,742	23.3%	3,221,292	18.5%
51 – 200	67,886	12.0%	6,600,807	37.9%
201 – 1,000	13,065	2.3%	4,358,804	25.0%
1,000+	508	0.1%	2,148,326	12.3%

Total	564,520	100%	17,433,080	100%
--------------	----------------	-------------	-------------------	-------------

Takeaways

- 564,520 customers placed at least one order in the year.
- 62% of customers placed 10 or fewer orders all year — they account for only ~6% of order volume.
- The 508 largest customers (1,000+ orders each) generate 12% of all orders.
- The middle band (51 – 1,000 orders) is where the bulk of order volume sits: 14% of customers, 63% of orders.

Each Customer's Most-Used Channel

Dominant Channel	Customers	% of CMFs
Web	383,295	67.9%
Email	63,651	11.3%
Phone	60,338	10.7%
Mobile	43,037	7.6%
ECMRC	12,759	2.3%
EDI	776	0.1%
Fax	554	0.1%
Other	110	0.0%
Total	564,520	100%

Takeaways

- For 68% of customers, web is the channel they use most.
- Email is the primary channel for 11% of customers — second-largest customer base after web.
- Phone is primary for another 11% — a customer base of 60,000 who lean on phone ordering.
- EDI and Fax are dominant for under 1% of customers each.

Channel Diversity per Customer

How many distinct channels each customer uses across the year, and which combinations are most common.

Number of Channels Used per Customer

Channels Used	Customers	% of CMFs
1 channel	344,483	61.0%
2 channels	144,918	25.7%
3 channels	57,819	10.2%
4 channels	14,606	2.6%
5 channels	2,500	0.4%
6 channels	185	0.0%
7 channels	7	0.0%
Total	564,518	100%

Takeaways

- 61% of customers use only one ordering channel all year.
- Another 26% use exactly two — combined, 87% of customers stick to 1 or 2 channels.
- Only 13% of customers spread their orders across 3 or more channels.
- Customers using 5+ channels are a tiny minority (~0.5%), typically the largest accounts.

Most Common Channel Combinations

Channel Combination	Customers	# of Channels
Web only	234,307	1
Phone only	46,667	1
Email only	28,750	1
Mobile Web only	24,390	1
ECMRC only	6,243	1
Phone + Web	69,987	2
Mobile Web + Web	28,495	2
Email + Phone	18,418	2
Email + Web	12,774	2
Email + Phone + Web	25,455	3
Mobile Web + Phone + Web	18,228	3
Mobile App + Mobile Web + Web	5,916	3
Mobile App + Mobile Web + Phone + Web	6,356	4
Email + Mobile Web + Phone + Web	5,450	4
Email + Mobile App + Mobile Web + Phone + Web	1,859	5

Takeaways

- Web-only is by far the largest single segment — 234,307 customers (42% of all customers).
- Among two-channel customers, Phone + Web is the most common (70,000 customers) — these are customers who place most orders online but still call for a meaningful share.
- Mobile Web + Web (28,500 customers) shows up next — customers using both desktop and mobile web.
- Email + Web (13,000) and Email + Phone (18,000) indicate two distinct human-touch patterns: either web-first with some email, or fully assisted (phone/email, no self-service).
- Customers with 4+ channels are typically the largest accounts and concentrate on Mobile App + Mobile Web + Phone + Web (6,356 customers) and Email + Mobile Web + Phone + Web (5,450).
