

Contact-Level Rules - Contacts Blocked

R2 (ship-to orders), R4 (multi-billto), and R1 (contact at a high-headcount CMF) all evaluated per contact. Sub-bubbles inside each rule show its composition.

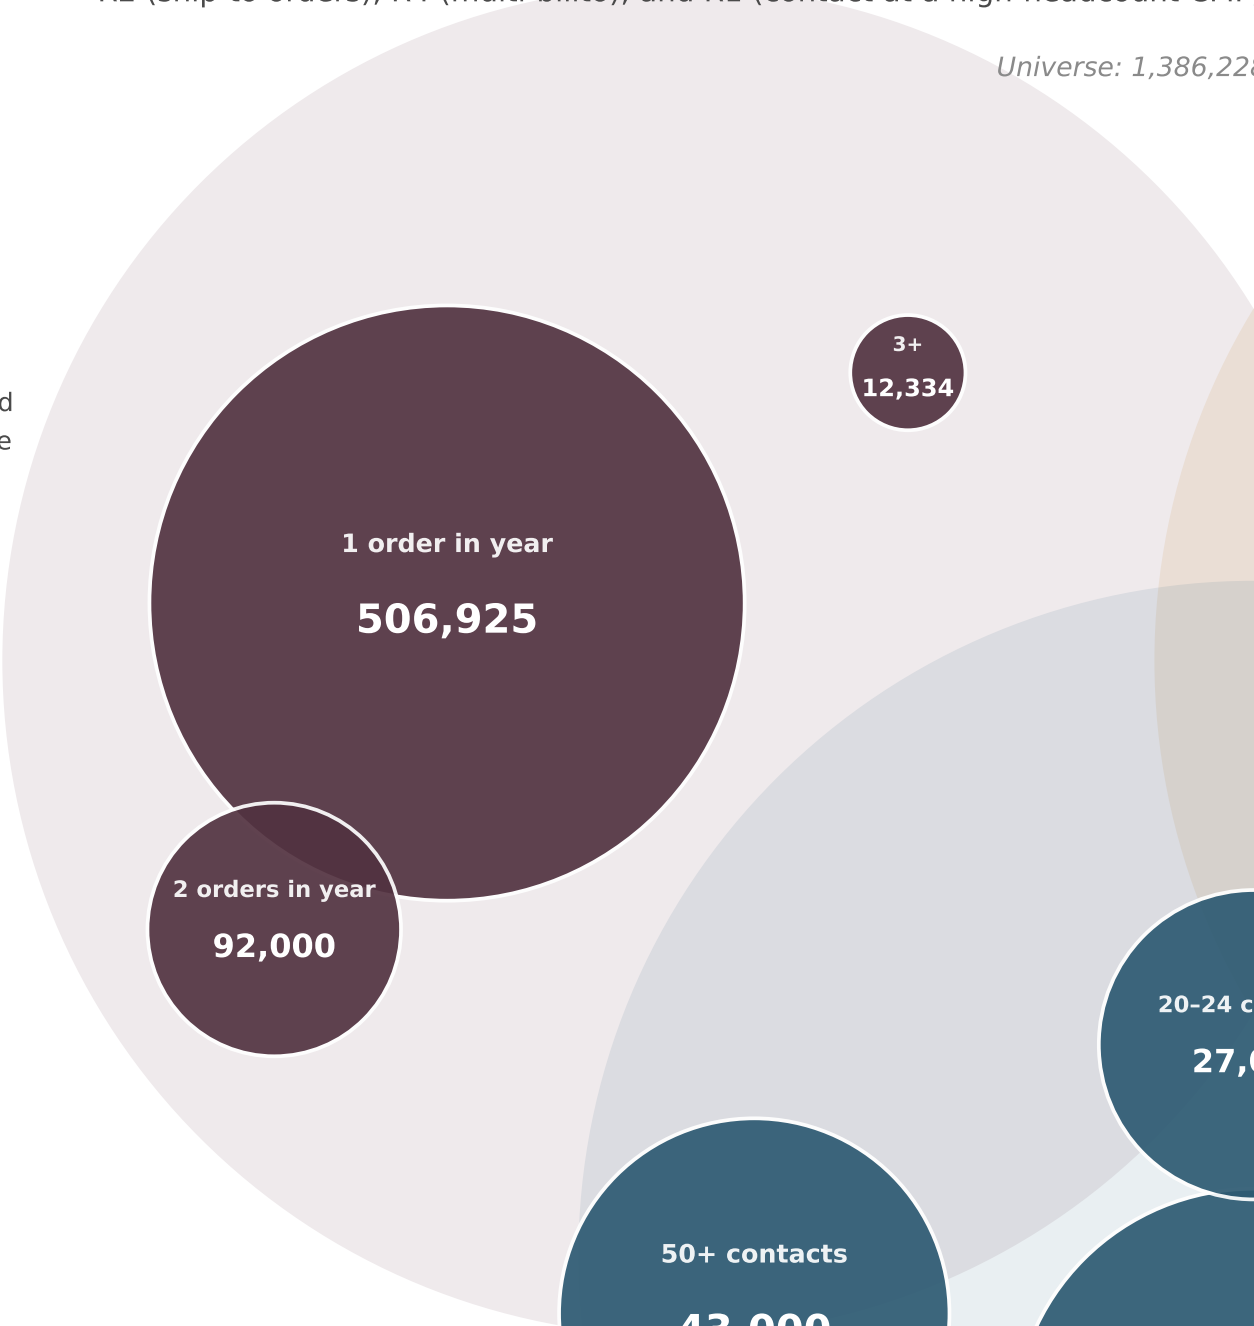

Universe: 1,386,228 ordering contacts

Rule 2

Ship-to orders

Contacts who have placed fewer than 3 orders at the same ship-to location.

611,259 contacts
44% of universe

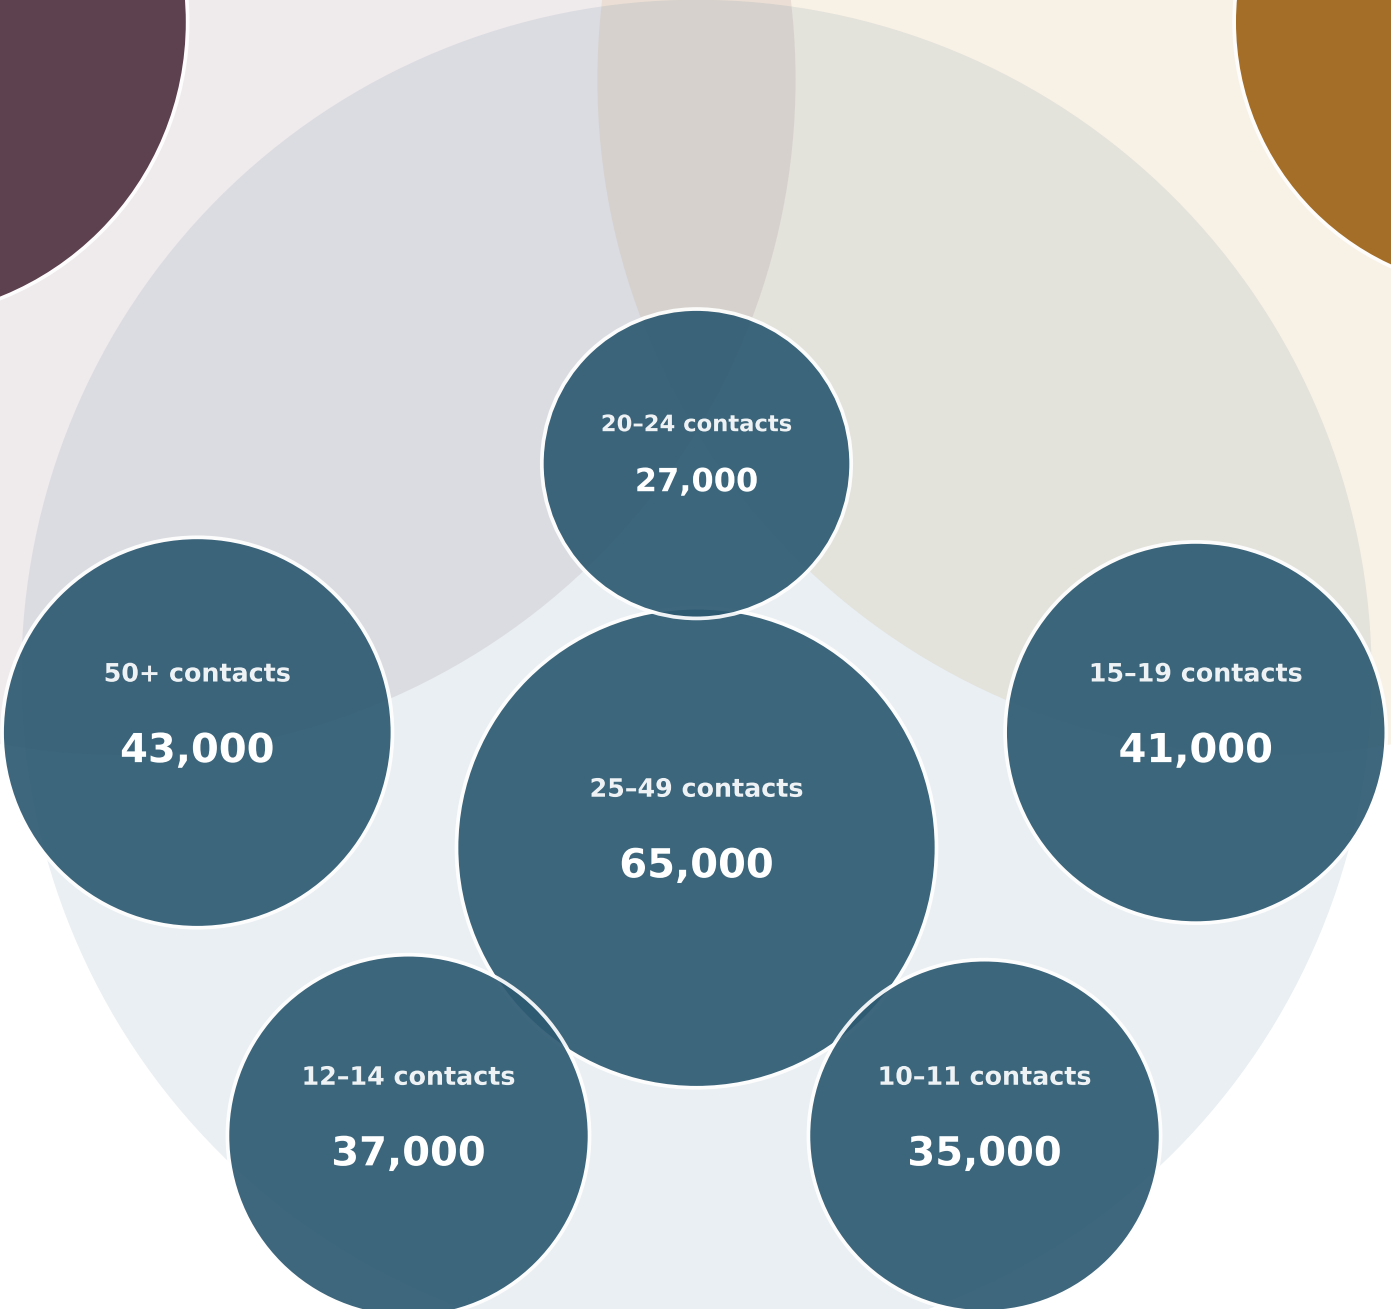

Rule 1

Contact count

Contacts at a shipping location with 10 or more active ordering contacts.

248,827 contacts
18% of universe

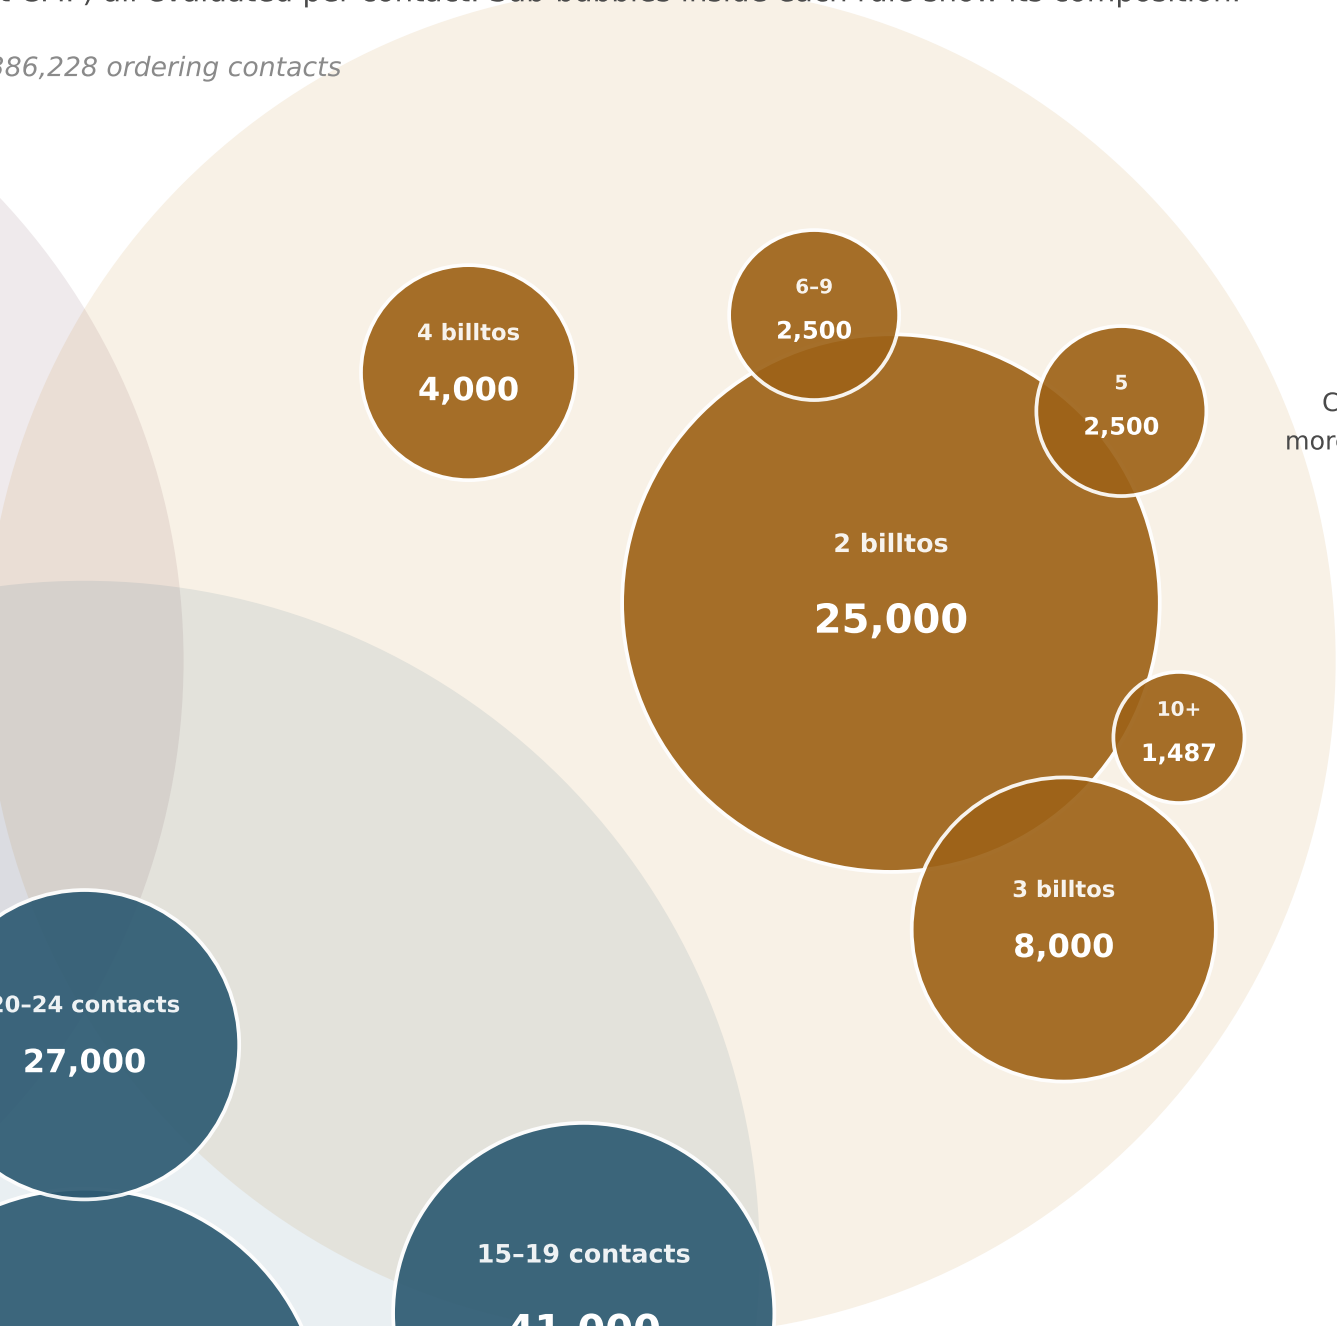

Rule 4

Multi-billto

Contacts who order across more than one non-individual billing location.

43,487 contacts
3% of universe

Passes all three rules
