

Order Channel Analysis

Window: May 1, 2025 — May 1, 2026 (full year). **Source:** *secure.order_source*, deduplicated to one row per order (register_base + suffix). **Customer unit:** ship-to CMF.

Annual Order Volume by Channel

How many orders came through each channel in the year.

Channel	Orders	Share
Web	9,167,935	53.8%
Email	3,482,044	20.4%
Phone	1,591,271	9.3%
ECMRC	1,382,418	8.1%
Mobile Web	743,023	4.4%
Other (Mail)	399,287	2.3%
Mobile App	189,983	1.1%
EDI	69,293	0.4%
Fax	16,298	0.1%
Total	17,041,552	100.0%

Takeaways

- Web accounts for over half of all orders.
- Email is the second-largest channel at 20% — roughly 3.5M human-touched orders per year.
- Phone remains a meaningful channel at 9% (1.6M orders).
- Mobile (web + app combined) is 5.5% and skewing toward mobile web over the app.
- EDI is only 0.4% — small relative to most B2B distributors at this scale.

Customer Channel Profile

Where each customer's orders come from. One row per CMF in the underlying data; tables below summarize how that population is distributed.

Customer Size Distribution

Orders / year	Customers	% of CMFs	Orders	% of orders
1 order	118,868	21.1%	118,868	0.6%
2 – 10	217,329	38.5%	976,245	4.6%
11 – 50	133,537	23.7%	3,266,586	15.3%
51 – 200	74,515	13.2%	7,449,636	35.0%
201 – 1,000	19,483	3.5%	6,717,633	31.5%
1,000+	788	0.1%	2,784,041	13.1%

Total	564,520	100%	21,313,009	100%
--------------	----------------	-------------	-------------------	-------------

Takeaways

- 564,520 customers placed at least one order in the year.
- 60% of customers placed 10 or fewer orders all year — but they account for only ~5% of order volume.
- The 788 largest customers (1,000+ orders each) generate 13% of all orders.
- The middle band (51 – 1,000 orders) is where the bulk of revenue volume sits: 17% of customers, 66% of orders.

Each Customer's Most-Used Channel

Dominant Channel	Customers	% of CMFs
Web	382,390	67.7%
Email	64,217	11.4%
Phone	60,363	10.7%
Mobile	43,282	7.7%
ECMRC	12,806	2.3%
EDI	785	0.1%
Fax	567	0.1%
Other	110	0.0%
Total	564,520	100%

Takeaways

- For 68% of customers, web is the channel they use most.
- Email is the primary channel for 11% of customers — second-largest customer base after web.
- Phone is primary for another 11% — a customer base of 60,000 who lean on phone ordering.
- EDI and Fax are dominant for under 1% of customers each.

Channel Diversity per Customer

How many distinct channels each customer uses across the year, and which combinations are most common.

Number of Channels Used per Customer

Channels Used	Customers	% of CMFs
1 channel	344,483	61.0%
2 channels	144,918	25.7%
3 channels	57,819	10.2%
4 channels	14,606	2.6%
5 channels	2,500	0.4%
6 channels	185	0.0%
7 channels	7	0.0%
Total	564,518	100%

Takeaways

- 61% of customers use only one ordering channel all year.
- Another 26% use exactly two — combined, 87% of customers stick to 1 or 2 channels.
- Only 13% of customers spread their orders across 3 or more channels.
- Customers using 5+ channels are a tiny minority (~0.5%), typically the largest accounts.

Most Common Channel Combinations

Channel Combination	Customers	# of Channels
Web only	234,307	1
Phone only	46,667	1
Email only	28,750	1
Mobile Web only	24,390	1
ECMRC only	6,243	1
Phone + Web	69,987	2
Mobile Web + Web	28,495	2
Email + Phone	18,418	2
Email + Web	12,774	2
Email + Phone + Web	25,455	3
Mobile Web + Phone + Web	18,228	3
Mobile App + Mobile Web + Web	5,916	3
Mobile App + Mobile Web + Phone + Web	6,356	4
Email + Mobile Web + Phone + Web	5,450	4
Email + Mobile App + Mobile Web + Phone + Web	1,859	5

Takeaways

- Web-only is by far the largest single segment — 234,307 customers (42% of all customers).
- Among two-channel customers, Phone + Web is the most common (70,000 customers) — these are customers who place most orders online but still call for a meaningful share.
- Mobile Web + Web (28,500 customers) shows up next — customers using both desktop and mobile web.
- Email + Web (13,000) and Email + Phone (18,000) indicate two distinct human-touch patterns: either web-first with some email, or fully assisted (phone/email, no self-service).
- Customers with 4+ channels are typically the largest accounts and concentrate on Mobile App + Mobile Web + Phone + Web (6,356 customers) and Email + Mobile Web + Phone + Web (5,450).
